OSTRICH HERL

Herl section of the ostrich plume. Popular for nymphs, tails, bodies, tentacles and salmon fly butts. More life-like and animated than peacock herl.

80800	BLACK
80801	BROWN
80804	NAT GREY
80805	OLIVE
80808	WHITE

PEACOCK EYES

Peacock is one of the favourite fly tying materials. End section of the feather. Good herl and large, full eye.

80830	PEACOCK EYES (4 PER PK)
-------	-------------------------

PEACOCK HERL

Stripped from the quill and strung, Peacock belongs on every tying bench. Popular for nymphs. Peacock has a natural iridescence that fish never seem to reject.

80832	PEACOCK HERL
-------	--------------

PEACOCK SWORDS

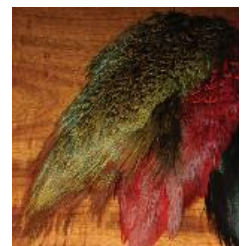

Beautiful and eye catching. These make excellent iridescent tails and wing cases.

80831	PEACOCK SWORDS (4 PER PK)
